

Dear Friends of Under 1 Roof,

We invite you to join us as we celebrate the **Stepping Out of Homelessness** luncheon benefiting **Under 1 Roof** on September 28, 2019.

*Imagine you live on the streets of Dallas, homeless and seeking food and shelter. Imagine your children having to sleep on the streets with little food, exposed in the elements of the cold, damp air. These are the grim circumstances some of the families that we serve. Over 5,000 individuals are homeless in Dallas County and **Under 1 Roof** remains a vital resource to the families in need in our community.*

**Under 1 Roof** provides housing and support services to the homeless families in Dallas and Collin County to ensure everyone has safe and affordable housing and the tools to become self-sufficient. We have served over **575** households, impacting the lives of 1,800 individuals including women and children.

- *We serve 100% of low to moderate income clients in our housing programs which are the working poor.*
- ***Under 1 Roof** partners with approximately 40 non-profit organizations in the Dallas area to provide our critical service.*
- *90% of Under 1 Roof program participants are in-tact families and 80% of families include children who are under the age of 10.*

Your support of the Stepping Out of Homelessness luncheon will help us reach our goal and assist in providing homes for families in need.
